Health Guarantee

Congratulations on the adoption of your new puppy! We hope your puppy will bring much joy and companionship to you and your family for many years to come.

We have endeavored to give this puppy a good start in a clean, healthy and happy environment. We hope that he will maintain a level of excellent health for many years. In case of problems, we do offer the following option:

For this health guarantee to be valid, you (the buyer) must take the puppy received to your veterinarian within 5 (five) days of receiving your puppy, for a health exam, at your expense. A copy of this veterinarian visit must be sent back to us (the breeder) for this contract/guarantee to be valid.

If within the first year you would happen to lose your puppy, seller will request an autopsy be performed at the buyer's expense to determine cause of death. If cause of death is found to be due to congenital (or hereditary) defects, seller will replace the puppy as soon as a puppy of equal quality is available. No cash refund. Buyer is responsible for the transport costs of replacement puppy. Only when the life of your puppy is threatened by a congenital (or hereditary) defect will we be held liable for a replacement. Seller must be notified of the problem within two business days of a licensed veterinarian's determination and have two reports from two unassociated veterinarians stating the same problem. We are not responsible for any vet bills that may occur during the life of your puppy through adulthood.

We are not responsible for parasites such as coccidiosis, giardia, or other parasites puppies commonly carry. We are not responsible to refund or replace a puppy due to reasons such as: allergies, landlord disapproval or moving. Any physical problem which is or could be the consequence of injury is not covered through this guarantee. Buyer agrees that he/she understands this contract fully.
